Context

The Yukon Chamber of Mines seeks to commission an original work of art to be used as a member recognition award for this November's **40th Annual Yukon Geoscience Forum & Trade Show.**

The work's medium may be photography, painting, sculpture, carving, beading, pottery, metal arts or mixed media.

The successful work will be selected by a jury of professional artists and industry representatives in early October and must be completed and delivered to the Yukon Chamber of Mines by **November 1, 2012**.

At that time, the work will become the property of the Yukon Chamber of Mines.

In addition to serving as an award, the work may be reproduced for and featured in the Yukon Chamber of Mines 2013 Mining & Exploration Directory, will be profiled in a media release(s) and/or featured via photo on the organization's web site.

All instances will include artist credit and web site (if applicable).

Preference will be given to Yukon visual artists.

Artist Fee

$2200.00

Includes artist's time, fabrication and material costs.

Submission Materials

The Yukon Chamber of Mines requests that you send your work for selection as a PDF. Please note that your submission material will NOT be printed but will be presented as a PDF projection for the jury's review.

Please also include a brief description (100 word maximum) of your work and your current CV (2 page maximum).

The Yukon Chamber of Mines looks forward to receiving your submission **on or before September 28, 2012** via email to amanda@amandaleslie.ca.
